Draft Statement - Investigation (6-5-13).docx

Jerimiah – as promised, enclosed is a markup of the latest draft with a few, non-substantive changes plus the more substantive edits we discussed on Friday. I am not sharing with Encana at this point.

I am about to head home for the weekend but strongly urge you to contact me to review the latest thinking before the Monday call. You can e-mail or call my cell (202-716-0118),
